Applicant - Microsoft Corporation - hereby disclaims any portion of the term of any patent issuing from the above identified application that extends beyond the expiration date of U.S. Patent No. 6,327,535 issued to Evans, et al. (hereinafter "Evans patent"), which issued on December 4, 2001 and is commonly owned by Microsoft Corporation.

Any patent issuing from the subject application will expire on the same day as the Evans patent. Additionally, any patent granted on the subject application shall be enforceable only for and during such period that said patent is commonly owned with the Evans patent.

Microsoft Corporation is the owner of all right, title and interest to the subject application by virtue of an assignment from the named inventor that is recorded at the U.S. Patent and Trademark Office.
